**District Superintendent's Report**

Cherokee County School District continues to strive for excellence in education. Our students, faculty, staff, administration, and board members have worked together for a common goal by offering quality public education for all students in Cherokee County. This has been a most successful year for education in Cherokee County yet.

The district's commitment to student achievement is evident in the accomplishments of our students this year. The average district SAT score rose 19 points and the AP pass rate is at the national average. PACT and HSAP scores continue to improve.

Students have excelled in academics, athletics, and fine arts. Forty of our middle school students were named Junior Scholars. One of our students was named a National Merit Scholar and the Class of 2008 earned more than \$9 million in scholarships.

Our teachers demonstrated skill using strategies to improve instruction. Standards-based curriculum guides and test analysis were used to promote the use of best practices in the classrooms. Technology was utilized throughout the district to further enhance instruction. Four of our teachers received state recognition as Teacher of the Year in their respective field of education.

The schools on our district have been recognized with numerous awards this year. Blacksburg High was honored with the Palmetto Gold Award. Alma Elementary, Corinth Elementary, and Gaffney High were honored with the Red Carpet Awards. Cherokee County Adult Education Program received a Palmetto Trend Setter Award.

The building program has been a priority for two years and has just been completed. The new facilities include a 9th grade addition at Blacksburg High, a 9th grade addition at Gaffney High, classrooms at Goucher Elementary, a new Community Learning Center, and a new stadium at Gaffney High. Instructional technology has been a major focus throughout the district and our district has received national recognition for implementation of the Classroom Performance System. Activboards, document cameras, iPods, LCD projectors, and virtual field trips are some of the examples of instructional technology provided by the school district.

Cherokee County School District focuses on "Meeting Today's Challenge, Building Tomorrow's Future!" Our commitment to public education is evident and we are proud of our students' accomplishments. The goal to provide a safe and positive environment for students can be attained through mutual cooperation of home, school, and community. Thanks for your support of public education.

Dr. William B. James, Superintendent
